Dear Parents:

Wow January seemed to just whiz by. It's hard to believe we are half way through our school year already! The students and staff are looking forward to some fun snow activities that will be happening this month, and hoping these blue skies continue for our ski and skating days!

Mrs. Cutler

Safety for our students

Please help us by reminding friends and neighbors that the speed limit in school zones is 30km/hr 8:00am to 5:00pm on school days.

For the safety of our students, parents picking up or dropping off students are asked to do so outside of our school bus loading zones and away from crosswalks. Please talk to your children about using the crosswalks at both campuses when crossing the street. Please also do not use the staff parking lots at either campus for drop off or pick up. We appreciate your cooperation with this and keeping all of our students safe!
